Nominations will be taken from the floor at the next meeting April 5th. New officers will be installed by July 1, 2008. If you would like to serve please inform the nominating committee. If you are not ready serve in office you can always chair a committee. When the new slate of officers and directors are elected they will be seeking committee chairs and committee members. This may be a way to ease into becoming a Club leader.

It was also mentioned that next election the prior officers will mentor the new elected officers to make for a smoother transition.

ATTENDANCE PAYS

(If you remember to wear your badge ☺ !)

Deborah Cohen won attendance *but* unfortunately forgot her badge \$10.00 winning rolls over to next meeting.

Nancy Mailliccoat won 50/50.

Greeting & Salutations fellow Sertoman's

At our last meeting much discussion and clarification was given to the stepping down of our president Larry Tyler as well as the few other member who have chosen to leave the group as well.

It was very enlightening to hear the duties of the Board and how they interact with the president. Their job is to be of assistance to the president, who has a responsibility to report to the board. The presidents decisions are made in conjunction with the board not independent of the board.

We are all asked to help by keeping discussions positive and supporting eachother.

Richard Thomas thanked Larry Tyler for everything he has done for the club and *his involvement in all activities.*

Please show your support to Bev Brownfield our interim president through June 30th.

SERTOMA HISTORY:

The first official luncheon meeting of the founding club was

held in Kansas City, MO, on April 11, 1912. Since then mankind has been served by a special family of volunteers now known as Sertomans. Throughout the years, these people have banded together to foster friendships and to provide community assistance. Membership in the fledgling Kansas City Co-Operative Club rose to more than 200 within two years.. Although the name Sertoma was not adopted until 1950, the ideal of "service to mankind" was always present. In 1959, the Sertoma Foundation was created by Sertoma International through the International Sponsorships Department. The Foundation funds scholarships and grants, provides public education materials, and has an advisory council of speech and hearing professionals and represents Sertoma. Combating communicative disorders is Sertoma's top priority.

Making Life Worthwhile through SERVICE TO Mankind

"Prayer is not an act of worship merely, the bending of the knee on set occasions, and offering petitions in need. It is an attitude of soul,

opening the life on the Godward side, and keeping free communication with the world of spirit." -- Hugh Black
