GALA

(Sorry for the delay in getting this in the newsletter. I didn't get Karl's e-mail until after the newsletter had been distributed).

I can't thank our members enough for the hard work involved. There was literally a ton of work done on Friday 6/20 as well as the clean-up of 6/22. The day of the gala I recorded my high temp so far this year > 102. Fortunately by the time the guests arrived, the shadows started to cover the area, and from then on the good times did roll. In my opinion the wine and food were very good. I think everyone felt they got their monies worth. The music was great, and the logistics (Parking, lighting, displays, layout, rest rooms, etc) showed that this was our best event for the museum.

I need to acknowledge other help we received from the Historical Society. John and Lana Seymour

and Steve Ordway gave outstanding support. Maureen Hendren sold tickets all over California and Dayle DeBry, David Earl, Pat Nichols and other members helped present a very nice display. Larry Tyler has helped for several weeks and has offered to help in the future.

The future is of interest to all involved as we are looking at completing the project soon. Depending on work crew's (which are currently fighting fires), we might be able to be done with this building by the year end. What a celebration that will be.

Thanks again for all the hard work / support / and talent you members have given.

Karl

Initially the installation of the fire hydrant will be among the first projects being worked on.

Profits from the Gala are \$6,700.00. Jan is planning for next year's event. She has contacted the purchasers of the tickets for feedback regarding likes, dislikes, things they would like to see in the future.

There are still bricks and benches available.

Scholarship: *Linda Blackburn*
A check was presented by Bob Mailliccoat to Andrew Ganske and his family for \$1000.00. No response from the \$500.00 winner. (Linda will try to contact).

Social: The desert social at Linda's home was wonderful. It was quite busy with all the presentations. There were enough deserts to last a lifetime! Fun! Fun! Linda would like to have monthly swim/BBQ's. Keep your calendars open, and swimsuits ready.

Suggestion for a social outing was the train/dinner rides in Filmore. The cost will be looked into.

Sponsorship: *Nancy Mailliccoat*
Nancy brought one of the telephones offered by the phone company for the physically impaired as well as the vibrator clips that can be worn to alert you of a phone call. Nancy offered to pick up equipment for anyone interested. The office in Burbank is 10 min. from her home.

SERTOMA HISTORY:

The first official luncheon meeting of the founding club was held in Kansas City, MO, on April 11, 1912. Since then mankind has been served by a special family of volunteers now known as Sertomans. Throughout the years, these people have banded together to foster friendships and to provide community assistance. Membership in the fledgling Kansas City Co-Operative Club rose to more than 200 within two years.. Although the name Sertoma was not adopted until 1950, the ideal of "service to mankind" was always present.

In 1959, the Sertoma Foundation was created by Sertoma International through the International Sponsorships Department. The Foundation funds scholarships and grants, provides public education materials, and has an advisory council of speech and hearing professionals and represents Sertoma.

Combating communicative disorders is Sertoma's top priority.

Making Life Worthwhile through SERVICE TO Mankind
